1. Chief Hooker of the Ruidoso Police will be our guest speaker.

He will look at both scams and other fraudulent behaviors that appear to specifically target older adults.

2. There will be time for questions on any subjects related to safety and our police presence. I hope that participants from our outlying communities will also attend this meeting and that we can talk about how our various community and state agencies mesh to provide comprehensive police protection throughout our county and Mescalero.

3. A second guest who is new to our area from Aging and Long Term Services will also be present and, after the initial presentation she would like to introduce herself and answer questions concerning health insurance. Elizabeth Sanchez, headquartered in Roswell, is the Regional \ State Health Insurance Program Coordinator.

4. With anytime permitting, Clara Farah will give you updates on various programs of Creative Aging and will always take your questions and your suggestions.

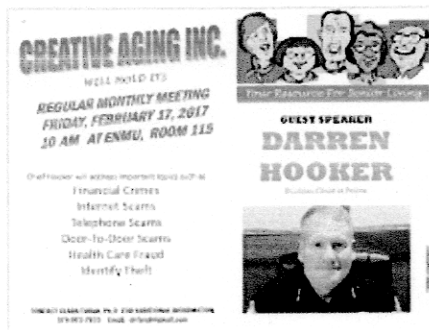

Next Creative Aging Monthly Meeting is For March 24,2017 at 10am.

We plan to focus on veteran affairs, particularly as they impact veterans in Lincoln County.
